

TRANSPORTATION PUBLIC MEETINGS

Draft DBE Program and Goals for Fiscal Years 2017-2019

As a recipient of federal transportation funds, NCTCOG is required to establish and periodically update Disadvantaged Business Enterprise (DBE) participation goals to encourage contracting opportunities for minority and historically underutilized businesses. The draft update of the DBE participation goals for US Department of Transportation assisted contracts will be presented for public review and comment.

Regional Bicycle and Pedestrian Traffic Monitoring Program

In 2014, NCTCOG purchased bicycle and pedestrian count data collection equipment, and in partnership with other agencies, began installing the equipment on shared-use paths in various urban and suburban areas around the region. A report has been prepared providing an overview of 2015 count data collected in 26 locations installed in five cities across four counties. The report presents information for each count station related to mode share split, total bicycle and pedestrian trips and seasonal variations in the average daily trips by month. Staff will present an overview and highlights of the data.

Other Information to be Highlighted at the Meetings:

- Vehicle Repair and Replacement Assistance Available Through AirCheckTexas Program
- 2016 Clean Air Action Day
- Title VI Nondiscrimination Program Update

A video recording of the Arlington meeting
will be online at www.nctcog.org/input.

MONDAY, JUNE 13, 2016
